

The background of the entire image consists of numerous diagonal lines in various shades of blue and black, creating a sense of motion and depth. The CDC logo is centered within a white rectangular frame. The letters 'CDC' are large, white, and serif, set against a blue square background with white diagonal lines.

The Past, Present, and Future of the Health Alert Network

Gregory Smothers, MPA, MT(ASCP)

Deputy Branch Chief, State & Community Services Branch
Division of Public Health Systems Development & Research
Public Health Practice Program Office, CDC

October 31, 2002

Health Alert Network Yesterday

SAFER • HEALTHIER • PEOPLE™

Pre-Health Alert Network (HAN)-1988

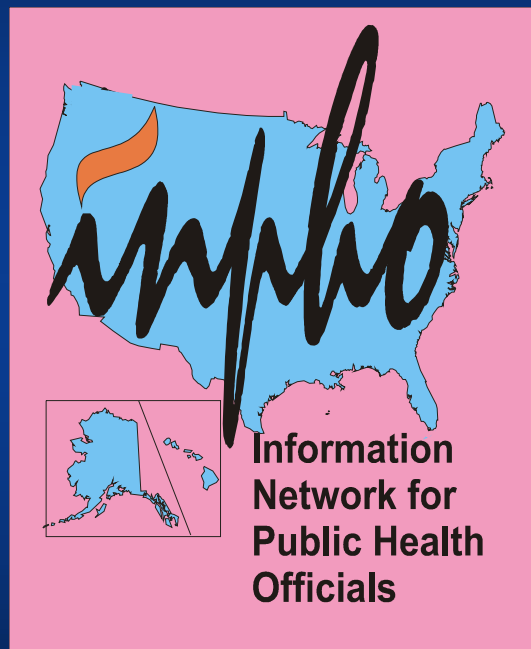

PHPPPO was born largely due to the landmark IOM report, *"The Future of Public Health"*

✎ The Public Health's "Infrastructure" was in disarray

Pre-HAN (1994)

Information Network for Public Health Officials

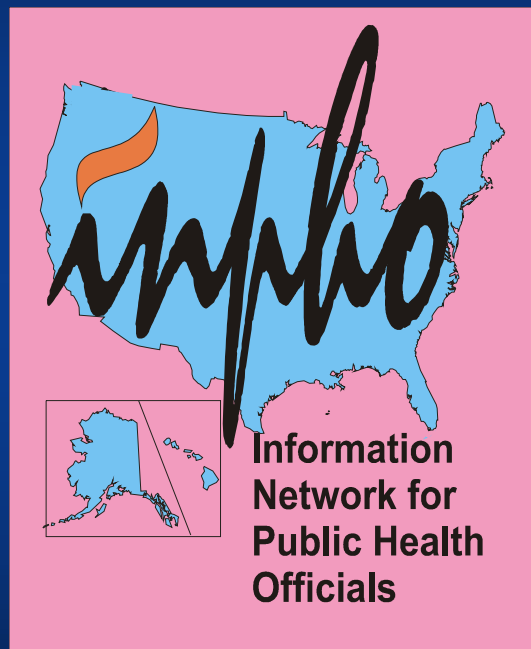

GA - Initial INPHO Project

 Resulted in a WAN for GA thanks to a \$5.2M grant from the Robert Woodruff Foundation

Pre-HAN (1995-1997)

Information Network for Public Health Officials

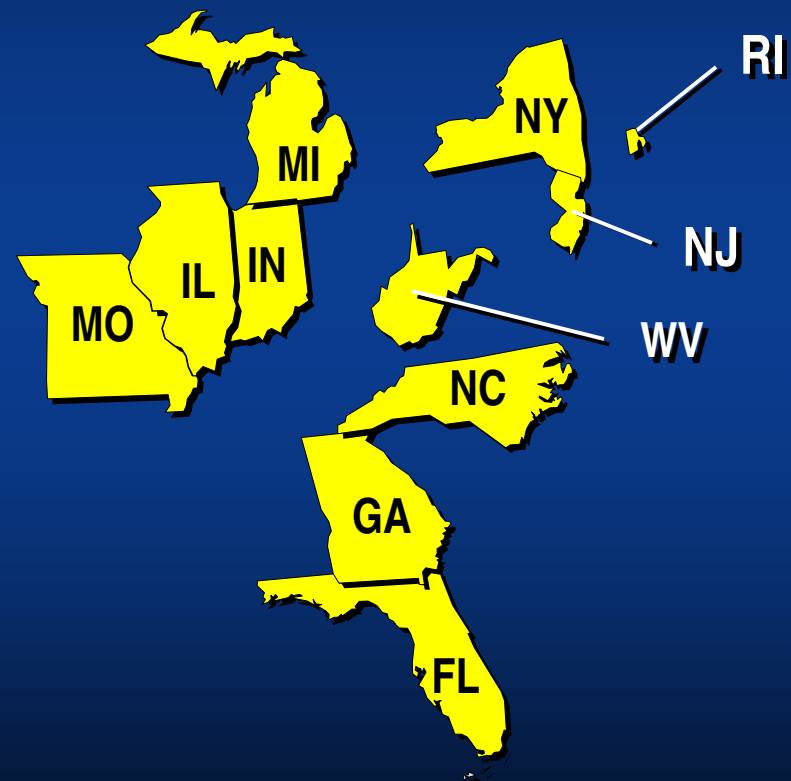

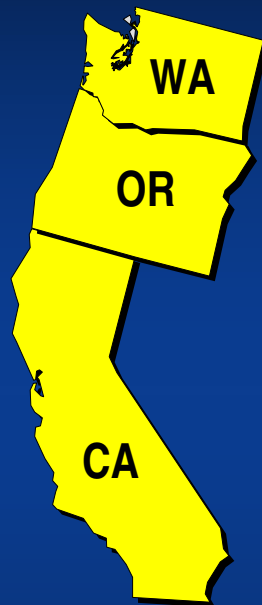

INPHO-1

 Infrastructure planning and connectivity

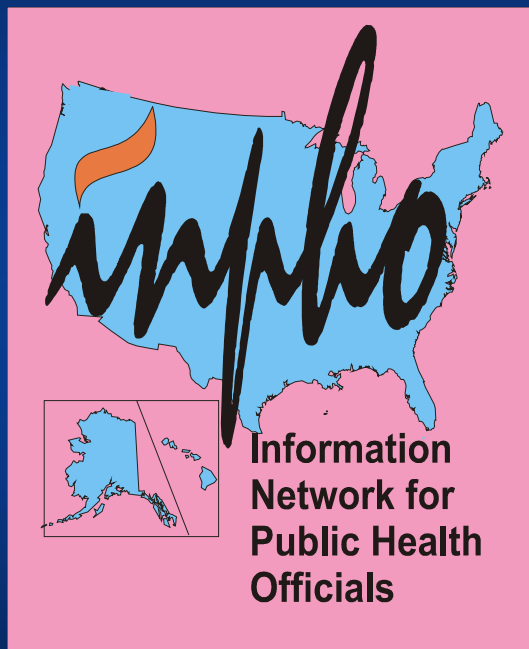

INPHO-1

SAFER • HEALTHIER • PEOPLE™

Pre-HAN (1998-2000)

Information Network for Public Health Officials

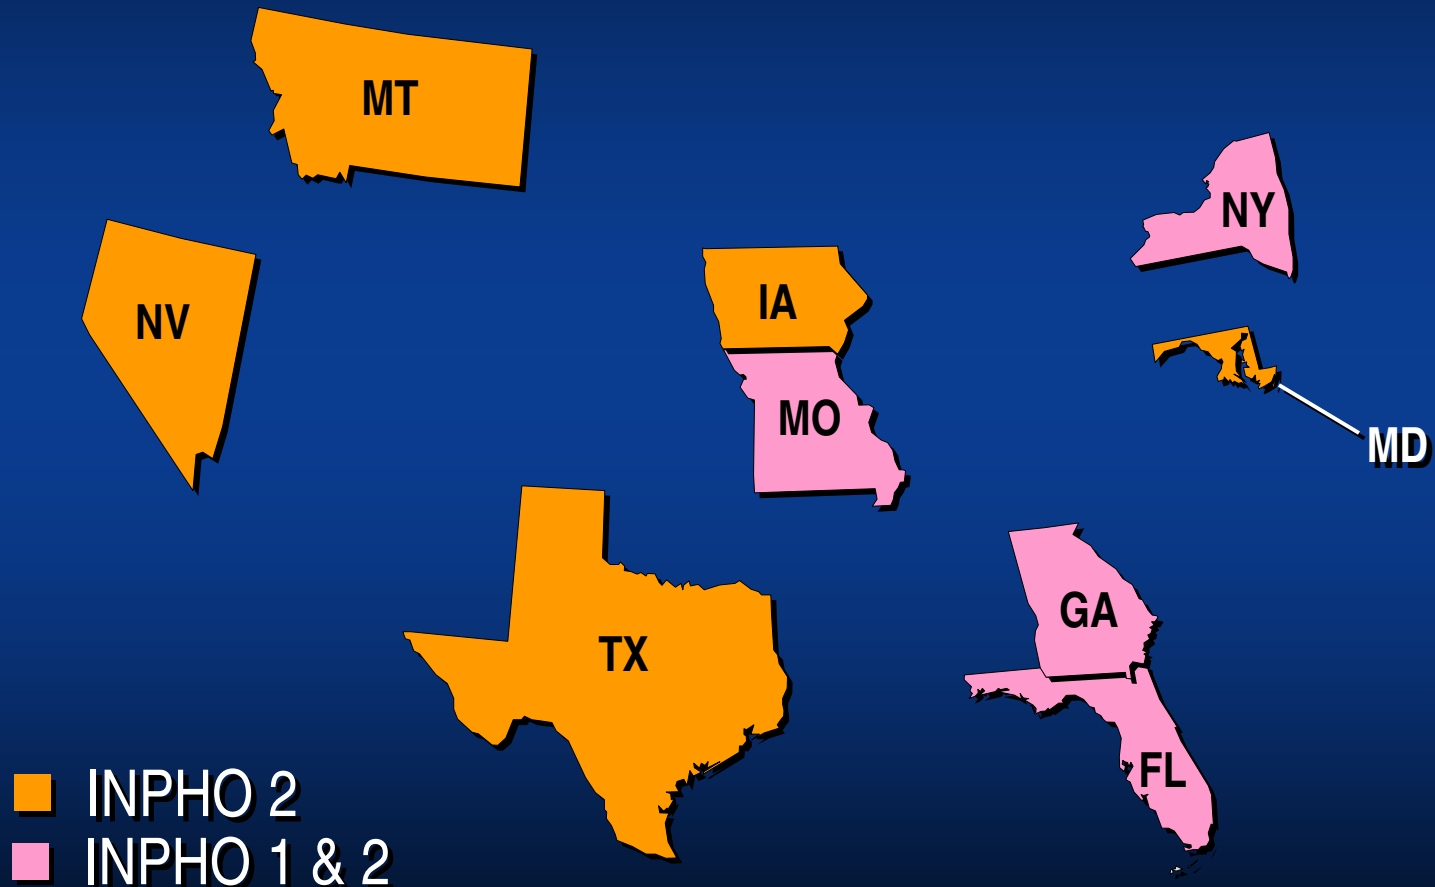

INPHO-2

 Integration of information
the focus on immunization

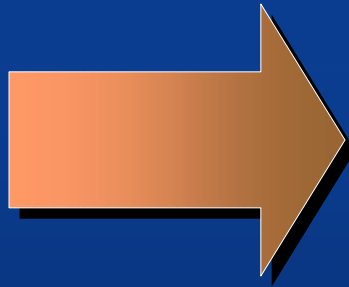

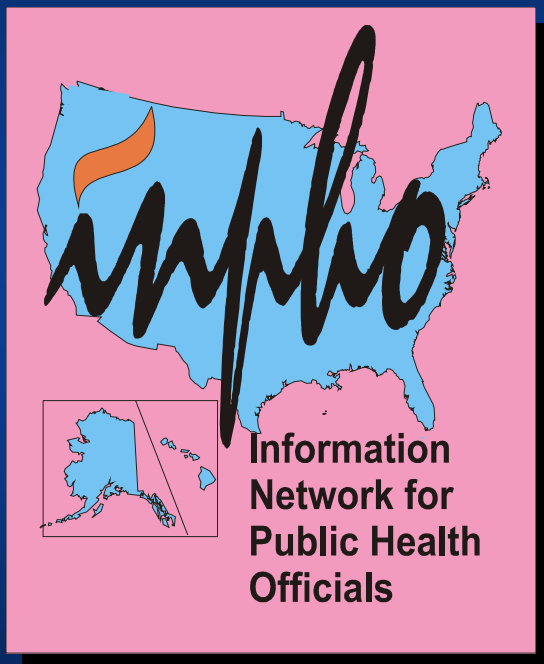

INPHO-2

SAFER • HEALTHIER • PEOPLE™

Times Changed

Enter HAN (1998)

 **VISION:** A communication, information, and training system supporting an early warning and response network against bioterrorism (BT) and other health threats, protecting the health of every American community

 **GOAL:** To strengthen the capacity of local health departments to serve as an early warning and response system against BT and other health threats
